ArcticKool™ Gel Packs: Designed to protect temperature-sensitive products

We protect what matters so your customers always keep their cool.

EFP's ArcticKool™ gel packs are durable, eco-friendly and customizable with a variety of available sizes, colors and printing options.

We combine the design and testing talents of our experienced team with the tooling and manufacturing capabilities developed for our various product lines to create exactly what you need to solve your specific cold chain challenges

Key Features

- **Long-Lasting Cooling:** Maintains cold temperatures throughout transit to help protect product integrity
- **Durable & Leak-Resistant:** Built to withstand handling and shipping conditions
- **Flexible & Easy to Use:** Freeze and pack with ease for efficient order fulfillment
- **Multiple Sizes Available:** Choose the right fit for your packaging needs
- **Reusable & Reliable:** Designed for repeated use, providing dependable cooling performance shipment after shipment

Weight tolerances for each gel pack are kept at

97%

confidence levels, 7% higher than industry standard.
